## MEMORANDUM FOR THE RECORD

SUBJECT: Proposed Wording for Afghanistan Resolution

1. Dr. Chris Chamberlain, Legislative Assistant to Senator Paul E. Tsongas (D., MA), called me on Monday, 24 September 1984 to discuss, once again, wording for the Afghan Resolution. He asked if the second clause, which reads, "to support the people of Afghanistan in their fight for freedom"....could be changed to...."effectively support.....". He advised that a Senate Foreign Relations Committee hearing will be held on Tuesday, 25 September at 11:30 a.m. in Room 419 of the Dirksen Senate Office Building.

The DDCI felt there would be no particular problem with the inclusion, "effective" in the Tsongas Resolution. He did, however, stress (and which I later emphasized to Chamberlain) that State Department concurrence must be up front regarding wording. The DDCI had no objection to [redacted] (Chief, Near East, and South Asia Division) or his representative attending such a hearing. He also

3. [redacted] accompanied [redacted], Deputy Chief, Near East Division, to the hearing. They arrived at 11:30, as requested, in time to hear Senator Mathias say, "State has no objection", and gavel the session closed. Bannerman supplied a copy of S. Con. Res. 74, as amended (attached), thanked us for the unnecessary trip, and we left.
